University of Washington, Seattle, WA — *BS in Informatics: Data Science with Honors*

September 2018- June 2022 GPA: 3.75/4.0

Experience

iMentorship Student Assistant
September 2020 - Current

- Annual informatics mentorship program that connects informatics students to industry mentors.
- Personally connecting and matching over 200 students and mentors each year
- Hosted a virtual end-of-program party for over 100 individuals and had huge satisfaction from attendees.
- Working mostly on the administration side of things by managing excel sheets and attendance

Husky Taekwondo
September 2018 - Current

- Active competitor and hard working athlete.
- Aided in organizing various club events and saw the team grow from 20 to 50+ members

Informatics Peer Advisor
September 2019 - Current

- Providing college-long mentorship and guidance to Freshman Direct admits. My cohort has ~10 students
- Informing my peers about everything the Informatics Program
- Aiding prospective students in their applications for informatics

DubTech's Protothon
January 2021-February 2021

- Lead a group of 6 individuals to host a 800+ person virtual design protothon
- Connected with 3 different student organizations across the country and found 4 sponsors bringing in over $2,000 in prizes
- Overall satisfaction from all parties involved.

INFO 340 Teaching Assistant
April 2021 -June 2021

- Taught students about web development principles through examples, videos, and office hours
- Relentlessly reached out to students who were struggling to make sure they would make it through the class if circumstances aligned.

SWE Evening With Industry
November 2018-January 2019

- Collaborated with 12 individuals to host an evening with company representatives and students
- Hosted over 12 companies and 200 students for a well-crafted evening of networking and discovery
-

Alder Dorm Representative
October 2018 - June 2019

- Hosted dorm events and engaged students to be involved with events across the hall.
- Overall increased engagement and participation by 250%
- Weekly dinner meals + game nights with an average attendance of 10 individuals
